EF-2251 - 1783 Washington & Independence. Draped Bust without button. Plain edge. Bowers and Ruddy's 8/21/78 Sale #75, withdrawn before sale. Wt. 9.3144 grams (143.7 grains). Sp. gr. 8.93296. Naturally toned red. Uncirculated. Vlack 17-L (formerly 5-C).

This piece has a smooth edge as if collar struck. No engrailing has been added to edge. Its surface is typical of restrikes struck by W. J. Taylor about 1851.

Even though submitted with a group of forgeries this piece in our opinion is not false. It is a restrike from original dies but not an original issue of circa 1815-20. It is not scarce.
